April 22nd
No. 005

Hello everyone! How are you? The new school year started. This year is the beginning of Tomonoura Gakuen. Did you have a good spring vacation? Work hard and have fun everyone! This will be a great year!

Springtime!

Tomonoura in the springtime

It's springtime in Tomonoura and the warm weather has finally arrived! If you walk around beautiful Tomotown, you can see wonderful views of the Setonaikai. If you walk up the steps to Iouji temple, you can see a bird's eye view of Tomotown. Please enjoy this nice weather! Remember to study hard but also have fun!

Spring vacation in Taiwan

I went to Taiwan during spring vacation. I went with two friends and we visited many night markets, ate a lot of delicious food and hiked up Maokong mountain! My favorite part of the trip was visiting Jiufen. Jiufen inspired the town in the movie Spirited Away (Sen to Chihiro no Kamikakushi).

Golden Week in Korea

I am going to visit Korea during Golden Week. I am going to Korea with two friends from Canada. We will eat many delicious foods in Korea. For example, this is a Korean rice dish. It's like a Korean Donburi! People call it Bibimbap. It's famous all over the world!

Canadian culture corner: Sugar shacks!

Do you know about sugar shacks? A sugar shack is a place that makes maple syrup. In Canada, you can visit sugar shacks in March and April. That is when maple syrup is made. You can do many fun activities at a sugar shack. For example, you can enjoy a ride on a sleigh pulled by horses. You can feed animals like horses, goats, and pigs. And you can eat Canadian food like maple syrup hot dogs, baked beans, eggs with maple syrup, pancakes, and ham!
