My Plans for the Summer

This summer, I want to travel around Japan. In particular, I want to see many famous festivals. I will go to Tokushima for Awa Odori. It's the largest dance festival in Japan! Awa Odori is during Obon. Awa Odori is from August 12th to 15th. You can see thousands of people dancing in the streets of Tokushima! I will also go to Kyoto to see Gion Matsuri. Gion Matsuri is on July 15th and 16th. During Gion Matsuri, you can see huge parade floats being pulled down the street in Kyoto.

Canadian culture corner: Prince Edward Island

Have you ever read Anne of Green Gables (赤毛のアン)? It is a very famous children's book from Canada. It was written in 1908, more than 100 years ago! Anne of Green Gables is from Prince Edward Island, the smallest province of Canada. Canadians call this province PEI. PEI is a popular place to go for summer vacation! It has beautiful sceneries. PEI is famous for large yellow and green fields, small farms and beautiful beaches with cold ocean water. It is very peaceful in the summer. Visit Avonlea (Cavendish) and you can say hi to Anne!
